(24-1090/PA1090/101090 CURRENT VERSION)

(24-1090/PA1090/101090 NEW VERSION)

The water pump 24-1090/PA1090/101090 new version differs from the current version only in the housing. The arrows highlight the different shape of the housing external edge, which being less bulky it is interchangeable with the current version.
